GOVERNMENT OF MYSORE

OFFICE OF
the A.R.P. Officer,
Bangalore City.

No. ~~XVRIX~~ ARP/42-43.
Encls. ~~42×43~~.

Date 16th December, 1942.

To

The Chief Secretary to the Government of Mysore,
Bangalore.

Through: The Inspector General of Police in Mysore, Bangalore.

Sir,

I have the honour to bring to your kind notice that the Comptroller has been objecting to pass the petrol bills without a certificate to show the miles travelled with reference to the petrol consumed, without specific orders from Government. The difficulties experienced in giving these details for the A.R.P. vehicles are given below:-

All the A.R.P. Vehicles are old. Most of them have no petrol gauges and speedometers. The quantity of petrol in the tank cannot be gauged also by means of measuring rods owing to the bent inlet tubes of the petrol tanks. Further, the cars have to be run idle in the sheds every morning for some time to keep the engines and battery in sound condition. ~~Bottom~~ Some of the lorries have been fitted up with pumps for fire-fighting and the Engine has to work for running the pump without the lorry moving out. In addition, petrol is used for working the Fire-Engines frequently to keep them in sound condition. In such cases petrol will be used but no mileage will be done.

Under the above circumstances, I request you to kindly authorise the Comptroller to pass the petrol bills of all the A.R.P. vehicles without the certificate required by him.

All possible care is being taken to avoid unnecessary use of petrol and careful scrutiny regarding the consumption of petrol is being done by a Gazetted Officer.

Ac.1835/42-3.

Forwarded with Compliments

Inspector-General of Police.

KVN.

I have the honour to be,
Sir,
Your most obedient servant,

A.R.P. OFFICER, BANGALORE CITY.
